Dear Pre-K Parent/Guardian,

Please be advised that the New Jersey Department of Health requires that every child who attends **Preschool** in New Jersey must receive an annual influenza vaccination as a condition of attendance.

The influenza vaccine must be received between September 1 and December 31 of each school year. Failure to do so will result in your child being excluded from attending Preschool on January 3, 2018 and will continue until proof of the vaccination is submitted.

Please have your medical practitioner complete the bottom section of this form and return it to your family advocate as soon as possible.

As always, if you have any questions or concerns please call or see your Preschool Provider Family Worker/Advocate. You may also reach out to the ECE Nurse, Mrs. Meier at the following number, 201-356-3757.

Thank you for your attention,

Director S. Rodriguez-Gomez
